AGENEAL	<u>Municipality of Almada</u> The co-financing of the Municipality of Almada comes from the annual contract signed with AGENEAL to develop the Annual Energy Action Plan. This plan comprises the development of 7 actions, one of which is "Info-Energy". This action deals with public awareness for energy efficiency. Therefore, it was decided to co-finance part of the development of Eco n'Home with part of the budget allocated to the "Info-Energy" action.
